Hi Ron,

I am acting for Nathan today. See the info below about our upcoming activities in SE Chicago. It looks like Jim Morgan has already been notified and I believe he has passed the info on to you too, but I figured I would send it along via email as well to make it easy for you to forward to any IEPA inspector who would be interested in joining.

If anyone is interested in accompanying, they can coordinate with Molly or Patrick.

Thanks,

Natalie

Subject: Inspections in IL

Nathan –

Patrick and I will be inspecting/touring the southeast Chicago neighborhood next Thursday, August 17th. We are not exactly sure which facilities we will be going on-site to, but we will be driving around SH Bell, Kinder Morgan (new owner), Chicago Port Railroad/Midwest Marine Terminals, and Chicago Port and Rail (previous Carmeuse Lime site), LLC. The City of Chicago has been notified and will probably be going with us. I have left a voicemail for Jim Morgan, as he is the SHB contact, but is there someone else from IEPA we should contact?

Thanks.
